JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

articles which are imported from Glasgow but whereof is proved that they originate from elsewhere, and which are packed and transported in such manner that they can not have been in contact with infected articles; (2) Concerning transit: Such articles which are packed in such manner that they could not have been repacked during the transportation.

NICARAGUA.

*Report from Bluefields—Fruit port.*BLUEFIELDS, NICARAGUA, *September 13, 1900.*

SIR: I have the honor to submit the following weekly report: Three steamships have been inspected and cleared for New Orleans, viz, the *Alabama*, *Condor*, and *Jno. Wilson*. They were all without passengers. Copies of certificates furnished masters are inclosed. One death has been reported in Bluefields for the week ended September 9—a native adult, of pyæmia, following abscess of knee joint. The health and sanitary condition of Bluefields continue good.

Respectfully,

D. W. GOODMAN,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

PORTO RICO.

*Report from Ponce.*PONCE, P. R., *September 10, 1900.*

SIR: I have the honor to transmit herewith the weekly quarantine and abstract of bills of health reports for the week ended September 8, 1900. I also inclose mortality statistics for the two weeks ended on the same date. There has been, during the week, slight change in the general health of Ponce and adjacent territory; the inclosed mortality report showing a decrease of 57 in the number of deaths. Nothing of special interest has happened among the shipping.

Respectfully,

W. W. KING,
Assistant Surgeon, U. S. M. H. S.

[Inclosure.]
